

# READ

## 1. LEARNING

Reading has significant positive influences on language comprehension, reading achievement, and expressive language skills. Reading with your child also influences their interest, imagination and attitudes towards reading and attentiveness.

## 2. BENEFITS

Did you know that reading is extremely good for the health of your brain? That's right, it improves concentration, is very therapeutic and mentally stimulating.

Early reading also helps to expand a child's vocabulary and knowledge. It is important for healthy brain development, for their language and for communication skills to mature.

## 3. ACTION

1

Let your child choose the book

2

Sit closely together

3

Keep your child engaged

4

Make reading fun and entertaining

5

Get feedback

6

Be aware that reading together makes a lifelong significant contribution

7

Read, read and read!
